THE NATIONAL

1986-1987

On Tuesday, February 17, 1987, twenty student photographers came out to cover a typical day at National from dawn to dusk. Hundreds of photos were taken on all campuses however only a few were chosen. Here is the staff's version of ...

A DAY

What really is a "Day in the life of National?" The 1986-87 Yearbook Staff wanted to know.

To every student we asked, life at National was a bit different. Some lived in a residence hall while others commuted. Many took classes at one campus while others had classes at three or more sites. Some students were older and many had jobs. Many came to National on a full time basis while others wanted to just take a class.

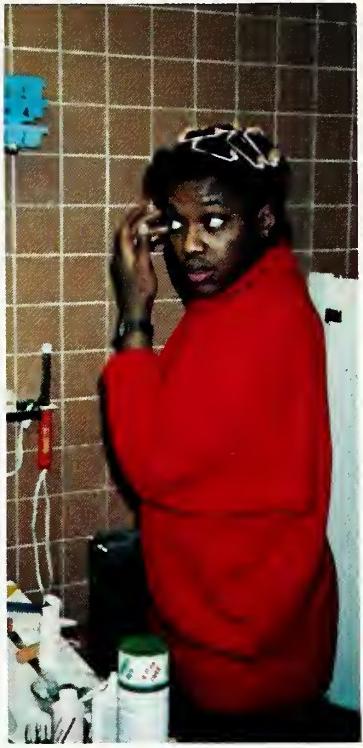

We are all different as you can well see yet there is a thread of commonality which holds it all together. We are all students of National College of Education and we are here to learn.

The Yearbook Staff from all three campuses got together to brain storm specifically what is a typical day at National. Each of us had a different idea and wondered how we would pull this all together.

With our second century come new opportunities and challenges for National College of Education. I look forward with great anticipation to our next 100 years of service to our students and the community.

During our first century, we set the standard in teacher education for the rest of the country to follow. And, we established a second concentration of study within the college — the Michael W. Louis School of Arts and Science. Together we grew, opened new campuses and centers and expanded our areas of expertise.

Today, we acknowledge our accomplishments and our heritage but look to the future for inspiration. We continue to hold sacred the trust of our students to provide for them the highest quality education. We strive to extend that educational opportunity to as many people as possible. Our education is tactical and theoretical, research oriented but steep in experience, caring in delivery and sound in content.

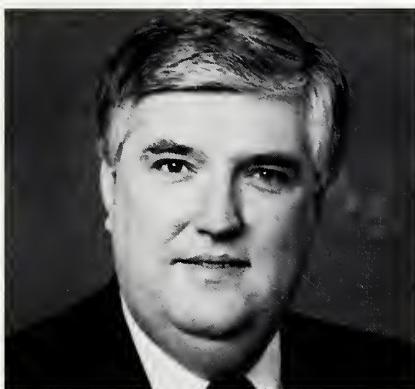

We are fortunate to have a dedicated and highly-skilled faculty capable of implementing our academic objectives. Our programs are designed for the changing technologies and knowledge explosion of the years ahead. Because of our heritage, we are more than equal to the task before us.

You are the first graduating class of our second century. With you go my dreams for the future. I take great pride in your accomplishments at National College and look forward to the contributions you will make to society. I am very proud of National College students — past and present — and wish you, the graduating class of 1987, all the very best in the years ahead. I pray God's blessing on each and every one of you.

Halloween

Ghosties, goblins, witches and other scary things were out on the Lombard Campus during Halloween. Students and non-students alike (see below) were decorated to varying degrees. Since many Education students were enrolled in an Art class Fall quarter, they were able to put their artistic talents to use. Costumes of the day included a Jimmy Durante look-alike, witches, clowns, teabags, ghosts and goblins.

To add to the festivities, Lombard Student Senate sponsored a Halloween treat of cider and cookies. Everyone got into the spirit of things and enjoyed the celebration!

Highlights of this Family Weekend

Evening included the Student Award Dinner in which honorary scholarships and service awards were presented to students. Scholarship award recipients included Ellen Vander Sander, Kimeri Swanson, Janice Alder, Kathryn Drews, Elaine Hinchey, Kathy Trella, Rick Herrejon, and Melinda Strom. Mr. Robert Hartman of the Career Placement Center received the Evanston Faculty of the Year Award. Later that evening we had "The Night Club" where one could dance to the Jazz Band and watch a juggler as well as a magician. People could even have their caricature done on a T-shirt.

What a Ham!

Family Weekend Picnic

Folks come out to catch some rays and have some fun with our traditional Family Weekend Picnic. Many families participated in a friendly game of softball while others took a chance at the watermelon eating contest.

The Fall Annual Field Experience Dinner

This was the first one for students, alumni faculty and staff in the ACE, BAABS, BAMEAH and MDHR Programs. James Anderson, President of Health Corp. Affiliates was the keynote speaker. After dinner there was a wine and cheese reception with music, dancing and door prizes.

It was called "A.K.A Rocks the House." And that's just what A.K.A.'s dance did. This dance was a Neophyte party which means that it was the first party after they became A.K.A.'s. It was the first A.K.A party since 1984. Admission was \$1.00. It was a great party and all the students seemed to enjoy themselves!

Somewhere Out There!

One of our most successful parties happened to be the night the band got lost. Quick acting Student Alliance under the direction of Janice Alder managed to pull off a successful night through the use of the newly purchased stereo by Student Senate. Special thanks to Paul Sodders and Ellen Vander Sanden for being impromtu D.J.s. Student Alliance ordered enough pizza to feed an army and oh, by the way, the band is still somewhere in Indiana.

Volleyball Dance A Hit!

This years Volleyball team concluded a terrific season by sponsoring a school wide dance. Everyone partied the night away as the music blared through the halls of the Evanston Campus. The dance did however attract a few shady characters. Mr. and Mrs. Foster Grant also attended.

Ah, the penny party! Baker Dorm Resident's solution to relieve the tension of end of the year finals. It all started when 3 friends (who were flat broke) wanted to have a party. So they put their fireman hats on, and declared that pennies were a fire hazard, and collected any change people were willing to give. Hence, the Penny Party!!

Valentine Dance: What a Sweet Time

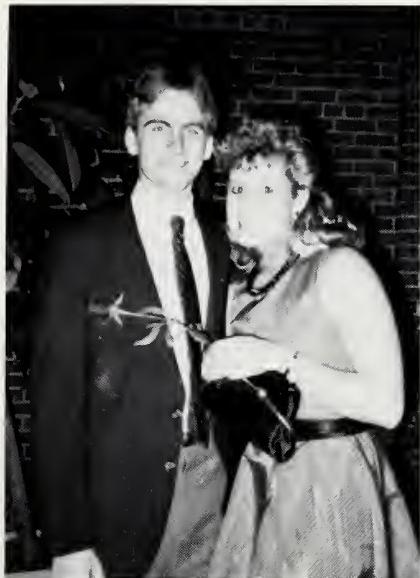

The Commuter Association and the Student Alliance Board sponsored an event that will be remembered. The event, of course, is the Valentine's Dance held on Saturday, February 14 at 8 p.m. in the Atrium. At the dance there was a contest in which two student's and their guests were ushered off that night in a Limo to a feast at the 95th Restaurant in the John Hancock

Winners were Jeanie Humphrey and her guest (her brother!) and Pam Rolfs and her guest (Stacy Debruhl!) So much for Valentine Dates! The losers were treated to a great school dance complete with a splendid buffet.

The annual Lip Sync Contest was held this year during Family Weekend. Students, parents, and friends participated in the contest. Rick Herrejon was the Family Weekend Master of Ceremony and Kecia Natrop won first place performing **Promises in the Dark**. What a great tune!

Lawn chairs, blankets, watermelon, ants, and volleyball. Sounds like the lazy, hazy days of summer, right? **WRONG!!** In January, the Lombard Student Senate sponsored a picnic in the gym, complete with summer effects of beachwear, summertime music, picnic food, and fun and games.

Education and Human Services students were able to be together to enjoy the occasion. Faculty and staff also participated, resulting in a large crowd at the beach. Only the sand was missing as students played volleyball to the sounds of the Beach Boys; ate hamburgers, hot dogs, and baked beans; and finished by spooning out serve-yourself ice cream sundaes.

Beach balls flew through the air, "ants" got into the food, hoola-hoops wound around, and some people claim to have gotten sun-burned!! A good time was had by all, as spirits were revived, summer was surmised, and winter was survived!

Make It ...

Juniors and Seniors came together on Saturday, May 9, to spend the day learning how to make educational games. We were fortunate to have, retired teacher, Mary Giuliani come and share her many years of experience with us. Mary geared this hands-on learning experience for student teachers. We all came away with many patterns, games and ideas to use in the future. We also were lucky to have our Reading and Language Methods teacher, Dr. Janet Lee Dews, there to guide us.

We were warned about it, we ignored it, and we paid for it! Spring quarter saw many Lombard students (and students from other campuses as well) initiated into Kappa Delta Pi, the honorary education organization. The group was all smiles as they paid their membership fees, ate cookies, drank punch, and -oh yes-were initiated as KDP-ers. It wasn't easy to rack up all those A's required, yet many of the education students came through this rite of passage with flying colors!

NCE Choir's Top Ten Hot Hits

The N.C.E. Company Show Choir completed a concert tour to Florida. Performances were given at Rosie O'Gradys in Orlando and Sea World Theme Park. The group gave fine performances of music and dance featuring selections by George Gershwin, Cole Porter, and the Manhattan Transfer. In addition to their performances, the group had some free time to visit Disney World, Epcot Center, and Bush Gardens.

The Handmill at the Bottom of the Sea

This year, under the direction of René Roy, the National Puppet Company came into existence. The fall quarter was spent creating a portable stage, many fun-loving puppets, drops, and scenery. The class consisted of about eleven students who worked closely together to create a well-oiled children's show about such things as innocence and greed. During the winter quarter, on Wednesdays, the Company traveled to area grade schools spreading fun and happiness. Next year the company shall begin again.

THE EFFECT OF GAMMA RAYS ON MAN-IN-THE MOON MARIGOLDS

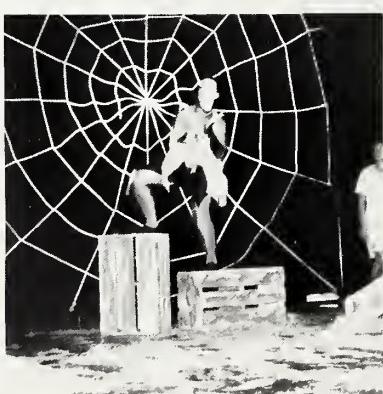

The National College Communication Arts/Theatre Department presented Paul Zindel's **The Effect of Gamma Rays on Man-in-the Moon Marigolds**. The all female cast was headed by Melinda Strom as Beatrice, Wendee DeSent as Ruth, Corey Conaway as Tillie, Michelle Salik as Janice, and Katey Schwartz as Nanny. Kory Swanson was stage manager, assisted by Kimeri Swanson. Janice Alder was the carpenter and Donna Gold was prop mistress. The production was directed by Rene Roy.

Charolette's Web

E.B. White's loving story about the "Miracle of Friendship" comes to life through Joseph Robinette's theatrical adaption. National College's cast of nineteen actors and actresses bring to life the classic characters. Among them are: Wilbur, the irresistible young pig who desperately wants to avoid the butcher; Fern, a young girl who understands what animals say to each other; Templeton, the gluttonous rat; the Arable and Zuckerman families; and the extraordinary gray spider, Charlotte, who weaves her magic throughout the story. Communication Arts/Theatre Chairman Rene Roy, directs this class Children's Theatre piece with a special Family Weekend performance.

to be too busy . . .
That's why it seems so extra special

The First McLean Dinner

The first 3 graduating classes were honored with the first graduate James Harris, being the keynote speaker. Dr. Jay Ward, the Provost, Dr. Ed Risinger, Vice President of the School of Arts and Sciences, Ed Storke, the BAABS Dean and Randy Bennett, Director of Field Experience Student Services were the special guests from Illinois. The McLean students, put on a skit, made their own music, awarded their instructors with gifts and read a farewell poem they wrote themselves.

NCE GOLF
1986-1987

The 1986 golf season, although short in duration, provided an adequate opportunity for our NCE golfers to display their talents. NCE fielded its largest team ever sponsoring seven ladies to compete in six tournaments throughout Iowa and Indiana. Carolyn Boubel had a 6th place finish (81) for an individual effort at the Simpson College Tournament (Indianola, Iowa) and NCE, as a team, placed 4th at the St. Ambrose outing . . . missing 3rd place by a stroke.

After a slow start at Notre Dame, the Central College Tournament (Pella, Iowa) saw Cathy Boubel turn in an outstanding performance besting her sister by a stroke to lead the Lady Lakers in scoring. The Simpson College Tournament which followed also saw Cathy have a personal best score of 88 in competition to be the 3rd best round of the Lady Lakers for the day.

Rounding out the squad in their tally personal bests was Mary Fleming who scored a record low for her in competition. Mary shot a 90 in the Loras College Tournament. Carol Holmes was the most consistent golfer on the squad shooting her usual 90 at four of the six tournaments. This consistency coupled with her senior leadership made her MVP for 1986 . . . tied with teammate Carolyn Boubel.

Cathy Boubel and Mary Fleming tied for most improved players and their accomplishments are most deserving of the honor.

"For every season, turn, turn, turn."

SOCCER

The soccer team, under Head Coach Louis Mateus and Technical Director Angel Bernal, equalled last year's outstanding premiere posting a 14-3 record at season's end. Plagued with injuries most of the year, the squad consisting of freshmen and sophomores, managed a 3rd place NAIA District 20 finish losing to McKendree in a semi-final game, also a repeat of last year. The highlight of this year's season was a first place finish in the CCAC and an MVP selection from the CCAC in the name of Manny Tovar. Five other teammates captured CCAC distinctions: Ricardo Aguirre, Edgar Alvarez, Eddie Amaral, Frank Mateus, and Gustavo Morales. Tovar, Alvarez, and Aguirre also were selected to the NAIA District 20 team and Aguirre, pulling a "hat-trick," was named to the Area V team as well. Coach Mateus was named Coach of the Year for the CCAC, District 20 and Area V — a distinction in its own right.

Making A Hit!

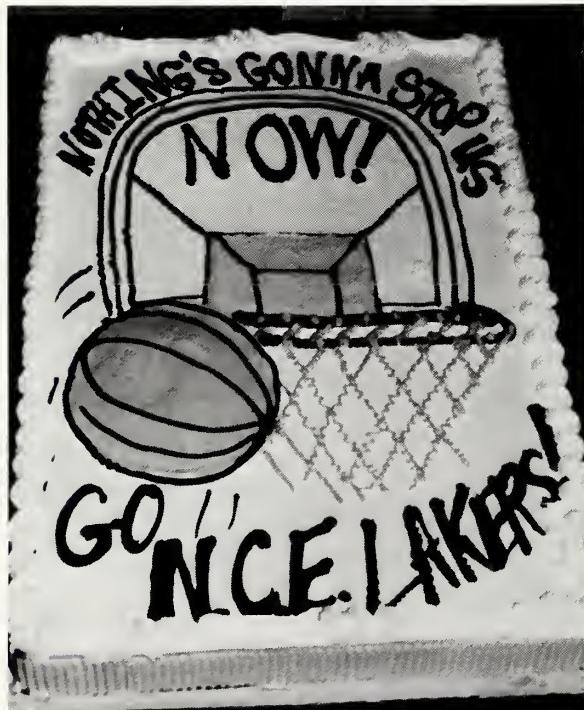

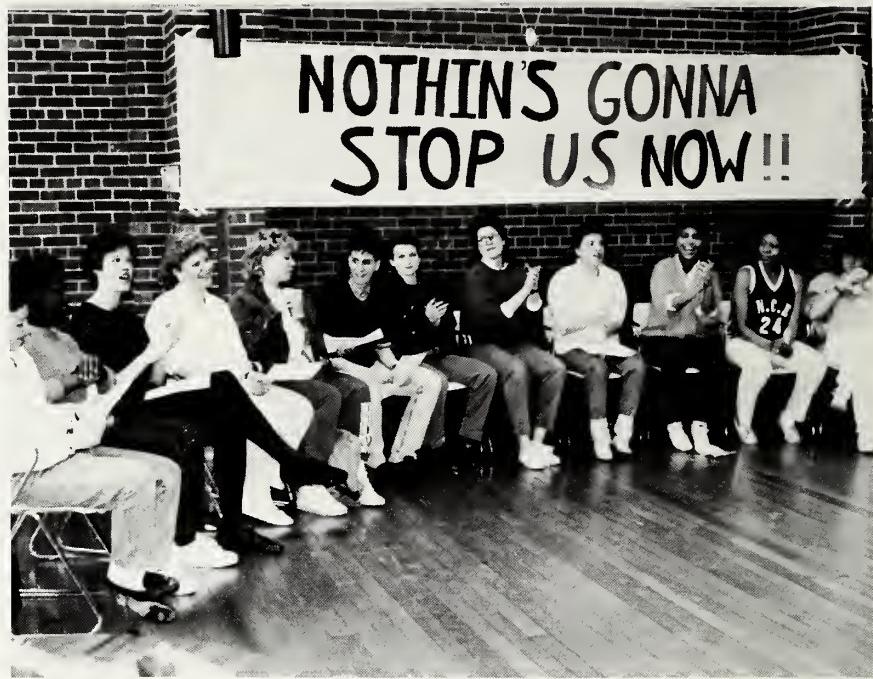

VOLLEYBALL

The 1986 volleyball squad experienced its most successful season to date. Under new direction from rookie Head Coach Audrie Rumowski, the NCE Lady Lakers posted a 19-16 record at season's end. Returning all its veterans, the squad consisting of four sophomores and four juniors, recorded a 4th place finish in the CCAC as well as the NAIA District 20 playoffs. The team brought back NCE's first volleyball trophy with an exciting second place finish in the Lake Forest Tournament. CCAC competition yielded three players on its All-Conference team: Stacy DeBruhl, Theresa Hauck, and Jamie Erlenbaugh. Erlenbaugh also made the District 20 all-tournament team selection.

Give us an "N".

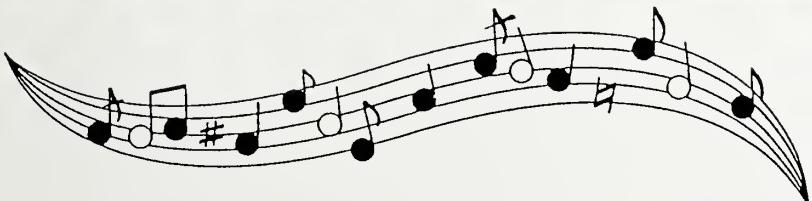

We are the Champions!

BASKETBALL

The 1986-87 basketball season, headed by second year coach Sandy Martin, finished with a 17-17 record. This year's season was sparked by many highlights including our second 1st place finish in the Judson College Thanksgiving Tournament and our second 1000 pt. scorer is senior Holly Zielke. Our season also yielded a tie for a first place in the CCAC with College of St. Francis and a second place finish in the District 20 play-offs, our best effort to date. Darlene Adams and The-

Mesa Hauck were named to the second team of the CCAC, while Holly Zielke was selected for first team honors. Zielke was also named to the All-District team, while Coach Sandy Martin pulled down Coach of the Year honors for District 20.

Take me out to the Ballgame...

SOFTBALL

The 1987 softball season, headed by Sandy Martin, finished its regulation play with a record of 16-16. Although just five hundred, the numbers were good enough for a third place seed in the District 20 tournament. The District Softball Play-offs rendered a fourth place finish with a final record of 17-19 and two All-District selections: Becky Wolenec and Terry Ramage. The CCAC competition fared better as NCE finished in a three-way tie for 1st place and four selections on the CCAC team: Jackie Alvarado, Michelle Fang, Terry Ramage, and Becky Wolenec. Coach Sandy Martin was named Coach of the Year for District 20.

Being National College athletes gave us the opportunity to go new places, see new things and experience the fun of competition. Thanks to our fans, when the games were done we walked away with more than just tired legs!

Sincerely Yours,

The Senior Class Athletes.

The Candle and Rose Ceremony is an annual event at the Evanston Campus. During the ceremony a Senior gives an underclassman partner a candle which symbolizes the lamp of learning and also the message to carry on the traditions of National. In return the underclassman gives the Senior partner a rose to symbolize that they have blossomed and grown through their endeavors at NCE and to wish them success in their new career. The speaker this year was Kelli Smith and Nancy Schildhouse for Education; Heidi Korf for Liberal Arts; Shelly Barber and Patty Buckley for Med. Technology; Angela Kinds for Memory Walker and Becky Wolenczak for Senior Class Farewell.

Looks Like We Made It!

On Saturday the thirteenth of June, nineteen hundred and eighty-seven, the one hundred and first spring commencement exercises began at 10 a.m. The graduating class is another step in making Elizabeth Harrison's prayer come true. She said, "My deepest prayer and most earnest hope is that after I have passed into the beyond, the college may still to live . . ." CONGRATULATIONS GRADUATES!

This is worth smiling about!

The First McLean Convocation

Sunday, June 7, 1987 at the Department Of the Interior, marked the first formal cap and gown ceremony honoring the B.A. and M.S. candidates. Seventy-five 1986-87 candidates were listed in the program for the McLean Convocation sponsored by Student Services. Congressman Philip Crane of Illinois was the keynote speaker and received an Honorary Doctor of Cucus Degree. Among the honored guests were Orley Herron, President; Jay Ward, Provost; Delbert Stoner; Senior Vice President For Finance; Michael Louis, Vice Chairman, Board of Trustees; and Cal Claus, Chair of the Faculty Senate. Bonnie Fairbrother was noted as the main student organizer of the event. A reception followed the event.
